Program Help Available

If you need help lining up a program, contact Howard Goltz or Dan Atkins for leads and suggestions. Members are encouraged to arrange programs early, and provide information to the newsletter editor, Rich Makela, so we can publicize the program in the newsletter, helping assure good attendance at meetings. If you contact Howard or Dan, or any other member, for help, make sure it is clear who is to contact the speaker, and that there is only one primary contact person.

The next Gyro social event is scheduled for Thursday 7 August at the Artistry Theater's "*Singin' in The Rain*" performance. Lunch is being planned prior to the show. On the Humorous Side

My math teacher was arrested for carrying a **protractor**, a **calculator**, and a **ruler**. The police charged her with possession of weapons of **math instruction**.

"Dad. Can I eat the cake in the **fridge**?"

"Sure, but the **dining room** would probably be more comfortable."

Today I saw a line of **rabbits** hopping backwards. It was a receding **hare** line.

If there's one thing in the world that always gives me **butterflies**, it's **caterpillars**.

The electric company called me today to tell me that my payment was **outstanding**. What a nice **compliment**.
