Program Help Available

If you need help lining up a program, contact Howard Goltz or Dan Atkins for leads and suggestions. Members are encouraged to arrange programs early, and provide information to the newsletter editor, Rich Makela, so we can publicize the program in the newsletter, helping assure good attendance at meetings. If you contact Howard or Dan, or any other member, for help, make sure it is clear who is to contact the speaker, and that there is only one primary contact person.
